DAYS FOR GIRLS – Wandin East Chapter – VIC 2020

In many developing nations, young girls cannot attend school during their monthly cycle. This can be fixed with a simple, easy to make re-usable sanitary kit.

The Days for Girls Wandin East team work joyfully sewing to create the kits and fill the demand. Organisations such as WFWP ship them to communities in developing countries.

Lorena Hayes is the Team leader for Days for Girls Wandin East Vic. The team depend on donations and fundraising to purchase supplies. Since 2015 the team has completed and distributed 2000+ DFG Kits.
