Melbourne Rebels / Rugby Victoria – VIC 2025

Rugby Victoria is the official governing body for the rugby union in the state of Victoria. As an incorporated association affiliated with Rugby Australia, it represents the interests of more than 20,000 participants and provides essential support and services to registered clubs, members, and affiliated organisations across the state.

Rugby at the grassroots level in Victoria thrives thanks to the dedication of volunteers who play a pivotal role in the day-to-day operation of over 150 junior and senior clubs. With a steadily growing member base and a proud legacy dating back to 1888, Rugby Victoria continues to build a vibrant and inclusive future for the sport.

The Melbourne Rebels, Victoria's professional men's and women's rugby union teams, were wholly owned by Rugby Victoria on behalf of the grassroots community. From 2011, the Rebels have competed in various iterations of the Super Rugby competition, based out of AAMI Park in Melbourne's iconic sporting precinct.
